BEAVER - 1950

SCOTT COMMUNITY HIGH SCHOOL
Scott City, Kansas
1949 - 1950

Foreword

The pictures and thoughts in this book are those you have known during happy and serious moments and will cherish in later years.

Collecting these mementoes of what has been a happy and successful year, the staff presents the 1950 Beaver.

Dedication

The first picture is that of Mrs. Betty Scheuerman, school secretary for the past six years.

Stand in her office and you'll see students, teachers, and townspeople drop in for a friendly greeting or some assistance.

To Betty, the staff dedicates the 1950 Beaver in recognition of her services to the school.

Every Beaver a Busy, Busy Beaver!

BEAVER STAFF

The Beaver staff members worked and struggled for many weeks in compiling the contents of this book. In addition they had a weekly column of high school news in the town paper, and they also edited and published the Beaver Booster bi-weekly.

The staff proudly presents the ---

BOARD OF EDUCATION

Elected by the voters, these six generous citizens meet once a month with Mr. Burnett and Mrs. Mildred Conine, county superintendent, to plan the administration of our school. They deserve much credit for their constant effort to give us a fine school.

GREETINGS

The staff and their sponsor have attractively presented to us, in this yearbook, the story of work and play for the school year 1949-1950. This "Beaver" will in future years bring to our minds many happy memories of enjoyable and worthwhile experiences we have had in S. C. H. S.

Congratulations for a task well performed.

CUM HONORIBUS

Jacque Patton

CITIZENSHIP

"Thinking well is wise, planning well, wiser; doing well wisest and best of all", an old Persian proverb, aptly describes the qualities of a superior school citizen.

She is one who gives willingly of her time, energy and loyalty, being faithful at all times and assuming no glory for herself.

Jacque Patton has been awarded this honor. Her name is engraved on the citizenship plaque.

Gene Marcy

Patsi Ruth

ACHIEVEMENT

It has been traditional in S. C. H. S. to select one boy and one girl from the senior class to receive the awards for achievement. These are given for outstanding work in scholarship, music, athletics and dramatics.

Gene Marcy and Patsi Ruth merited these honors and their names are engraved on the achievement plaque.

CLASS MOTTO

We have crossed the bay, the ocean lies before us.

Flower — Carnation

Mulberry and Gray — Color

CLASS OF 1950

The senior class of 1950 is one that will be long remembered not only for their many attainments but for their leadership and pleasing personalities.

Their leadership is best exemplified by the Student Council. Here we find Keith Jeffries-president, Harold Burnett-vice president, Tava Starr-secretary and the following as members: Donna Fitzgerald, Tommy Graham, Dee Hughes, Scott Showalter, Jacque Patton, Dorothy Smith, James Tucker, and Bill Young.

The popularity of the seniors is best known by the popularity contest for the Carnival King and Queen in which Scott Showalter and Donna Fitzgerald were elected.

Their accomplishments in such fields as athletics, music, dramatics, etc. are too numerous to mention here and needless to say, the seniors will be missed when the school bells ring next fall. Graduation not only brings a glow of accomplishment but it also brings memories. Memories of class plays, exciting games, "pike day", contests, good fellowship, and many others all form a part of those happy years in SCHS. Yes, when those school bells ring next fall, many a senior will be thinking of SCHS too!

This year the Student Council is headed by Keith Jeffries, senior. The council members are elected at the beginning of the school term, three from each class and one from each organization. Mr. Burnett is the sponsor.

Throughout the year many activities were sponsored by the Student Council.

Some of the routine matters included planning and presenting the annual carnival, providing all-school parties, serving the visiting and home teams after athletic contests and promoting good school spirit.

Fourteen members attended the meeting held in Garden City of the Student Councils of Southwest Kansas.

Their last important activity of the year was the election of a president, vice president and secretary for the next year.

JUNIOR PLAY

The Junior class scored a hit October 24, 1949, with their presentation of "Odds on Tomorrow". This three act comedy was thought-provoking as well as entertaining. The play gave the large cast ample opportunity to "show their stuff".

The action took place in Professor Nettleton's bachelor sanctuary at a mid-west college. His routine is upset by a niece and nephew who barge in on him for an indefinite stay, much to the disgust of his housekeeper.

CAGERS TAKE WKEA TOURNAMENT TITLE

Wins and losses, both spectacular and heartbreaking, came to the Scott City basketeers. In regular play the Beavers had a 10-4 record and rank of second in the WKEA league. Since the yearbook went to press March 1 games with Garden City and Ness City are not included.

Taking time from their busy schedule in December, the Beavers attended the Big Seven tournament in Kansas City as guests of the town business men.

As a part of their regular season they played in the WKEA tournament at Dighton February 8-11, and captured the first place trophy by edging out Leoti 20-18. After the regular season the Beavers went to Garden City for the state regionals.

ALL SCHOOL CARNIVAL

The high school was the scene of much activity on November 18 when the carnival was in progress.

An added attraction this year was the election of a king and queen with the seniors carrying off the honors by a small margin.

Immediately following the floor show all booths and side shows were thrown open. Prizes, large and small, were found on the bingo tables. Beautiful girls and music were featured in the Irish Heaven Night Club. The marriage bureau proved to be one of the most popular places for the teen agers.

Prizes donated by the merchants of the city were drawn at the close of the evening and once again the curtain dropped on a successful carnival.

The Alpha chapter of the National Honor Society has been organized in the Scott Community High School. To belong to this society a student must be in the upper third of his class, must have a B average, and not more than fifteen percent of his class can be chosen. Final decision rests with the faculty who decide on his character, leadership, scholarship, and his service. To be elected he must receive a majority vote by secret ballot of the faculty. He receives a certificate and membership card and is permitted to wear the official pin. The wearing of this emblem which is recognized nationally makes this student outstanding and is a distinct honor.

Certificates were issued to the following seniors, as charter members, who had met the requirements and were elected by the faculty: Jacque Patton, Harold Robert Burnett, Charles Costello, Gene Marcy, Tava Starr, Patsi Ruth, Donna Fitzgerald, and Keith Jeffries.
